

Single bed (50 GBP)

Location **East Midlands, Lincolnshire**

The bed is in excellent condition as not used very much. It is metal framed the metal is a light silvery colour with slatted base for mattress (not included). At the moment the bed is dismantled for storage the parts are all available with instructions for assembly. Unfortunately I do not have a photograph just a line drawing from the assembly instructions. I have photographed the head of the bed to show the.
