Saber

Advertising for a friend from Wakefield

It is with a heavy heart and with everything done possible to be avoided, i am now looking to sell this beautiful lady due to personal health reasons. Saber is a 3 year old intact female GSD/MALI. Saber has a big heart and loves lots of space to run/play. Saber does need an experienced handler as she has a high drive. Saber makes a great pet and is great fun with lots of energy, I can't give her the exercise she requires now. Unfortunately saber can't be rehomed with any small pets such as cats, birds etc. Can be picked up in Kilmarnock.
