Hi! My name is Levin and I'm a 21 year old Bristol based beginner photographer looking to build my portfolio. I'm available to carry out affordable but beautiful commissioned work, be that family, couple, sibling, baby, child and toddler studio photo-shoots, location shoots or event photography. I like to take beautiful, natural portraits as you can see from looking at my work, whether that's studio photos or a location shoot. I offer a very personal service, I always aim to listen to exactly what you want from your photo-shoot and give you the best results I possibly can. If there's something you want that hasn't been listed or isn't on my website, please don't hesitate to contact me and I'll see what I can do to fulfil your wishes. I hope you enjoy looking through my work, for any questions/enquiries please contact me.
