Special programmes to look after your clothes. The XWD71252W washing machine from Indesit ensures a, while saving you water, time and energy. It's packed full of helpful programmes including an anti-odour cycle that gets rid of smells thanks to the new movements of the drum as well as adding a rinse at the end of the cycle. The special sport programme is designed to remove tough stains like sweat, mud and grass. You can also delay the wash by up to 24 hours, setting your
