

HP Z600 COMPUTER - 2 CPUs AND 32GB RAM (850 GBP)

Location

East Midlands, Northamptonshire

<https://www.freeadsz.co.uk/x-572265-z>

HP Z600 Workstation in excellent condition

DUAL XEON X5650 PROCESSORS with 32GB RAM for all your computing needs.

Each processor has 6 cores and 12 threads giving an incredible 24 threads in all!

THREE TIMES THE AMOUNT OF THREADS IN AN i7 pc!

It has a new Video Card and new DVD re-writer.

256GB SSD and 500GB HDD.

The SSD is mounted on a PCIe card and the OS is on a 60GB partition on it, leaving a second partition of 175GB as an extremely fast Scratchpad etc.

Data can be stored on the 500GB HDD.

There are 4 USB3 ports and 6 USB2 ports at the back and 3 USB2 ports at the front.

If you've never owned a workstation before then the build and attention to detail will amaze you!

Everything is tool free apart from the 2 large CPU coolers.

HDDs can be changed in seconds via 2 caddies (if you want you can install a second HDD or SSD)

The DVD re-writer can also be changed in seconds with no screws etc to undo.

The memory has it's own, fitted, fan enclosure and there are 2 fitted fans at the back with a front fan and 2 cooler fans to ensure an excellent flow of air.

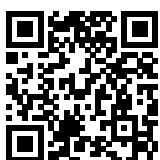

But in spite of the fans this is also very quiet running.

Comes with driver and backup discs etc and a lot of extra software including a program to create

Ramdrives any size, and a program to protect against over heating.

This is a heavy item and is built to a very high standard throughout, with thick aluminum side panels the

left hand side one which has an instant release catch for immediate access to the inside. It would be a good idea to have a 30V power supply and some extra cooling fans to help with the heat. The model is a Z600 and it has 30V power supply and some extra cooling fans to help with the heat.
