In our maths lessons, we use a variety of media, activities and games which appeal to the variety of learning styles - visual, kinaesthetic and analytic. We understand that all students learn maths at a different pace, and so follow a tailored curriculum designed to be highly flexible and comprehensive.

Our maths lessons help prepare students for public examinations, including Common Entrance (CE), IGCSE/GCSE and A-level. We also tutor younger children (4 to 11) and adults who wish to learn maths for pleasure or business. We cater for all ages, levels and abilities.

We tutor in the comfort of your home, online (via Skype or FaceTime), or at the home of one of our specialist maths tutors, at a time that is most convenient for you.

We currently tutor within a 10 mile radius of Bournemouth town centre, including Christchurch, Parkstone, Poole, Southbourne, Westbourne, Boscombe, Moordown, Winton, Charminster, Wimborne, and.
