I have a fabulous pedigree black & white girl for sale, she has the much desired Haggerty spot (Angel kiss) on her head. Looking for a family home where she will get lots of fun and exercise, as she's quite boisterous.

Happy, healthy, playful girl, who loves everyone she meets, including children, and other dogs. No breathing issues, she is full of beans!

Crate trained, microchipped, fully immunised, wormed, and Frontlined. Will come with a big bag of the food she is on, and her pedigree, but she is not KC registered.

Please email for further details. No homes where everyone is out at work all day.
