I am qualified counsellor using a person centred approach specialising in addictions and trauma specifically for women. I have worked with women with alcohol and drug problems and survivors of rape, domestic violence and sexual assault for five years.

Very reasonable sliding scale fees according to means...

Please contact me by text initially on 07825 287105 07825 2871...(click to reveal full phone number) and I will then arrange a free initial phone consultation and free initial session. I am based in East.
