

Entry-Level IT course with FREE LAPTOP

Location **East of England, Hertfordshire**
<https://www.freeadsz.co.uk/x-572612-z>

Level 2 Diploma in ICT Systems Support (PC and laptop maintenance and repair - entry-level IT) with a FREE laptop (i5) after completion.

This is fully funded (free) if you are unemployed, receiving any benefits, or do not hold a Level 2 qualification.

The City and Guilds Diploma in ICT Systems Support Level 2 provides an excellent foundation for students pursuing a career in IT. This course provides a broad knowledge of computer hardware and operating system technologies and includes practical experience of installation, configuration, fault finding, preventive maintenance and the fundamentals of computer networking.

Skills You Will Gain:

- Install & configure ICT systems hardware
- Perform fault-finding and remedial maintenance
- Health & Safety
- Preventive maintenance of ICT systems and peripherals
- Design and install a computer network
- Customer Service

Undertake this City and Guilds Diploma Course in London and benefit from comprehensive PC Maintenance Skills and receive a FREE LAPTOP upon completion of your course. Learn to troubleshoot and provide basic systems support for hardware and software. Gain expert tuition with full access to lab

equipment and facilities. Complete your journey with 5E by taking examinations at our Pearson Vue Test

Centres to gain computer literacy qualification.

This course is eligible for Advanced Learning Loans.

The ICT Systems Support Level 2 course will start on 1st May 2018

Courses run on evenings from 18:00 to 23:00. Full-time weeks only.

Other classes available:

Mon/We 10:00-15:00 - 12 weeks

Saturday 10:00-15:00 - 14 weeks

We also run free ESOL (English), ECDL (computer) and other IT classes. Eligibility rules apply.
