Comes with PC World Extended Knowhow warranty until 18/05/20 Perfect working order, excellent condition. Bought 19/05/17

I've had this laptop only since May 2017. It's been used by an x-employee and kept in perfect condition. There is one tiny scratch on the outside of the lid. It's been fully reset so it's ready to be set up from scratch with Windows 10. It comes with the PC World extended warranty and care plan until 18/05/20, which covers:

Unlimited repairs No charge for labour or parts Fix or replace with new Fast fix times Loan laptop whilst being repaired 24/7 Freephone help and advice Data recovery Virus and spyware removal Worldwide protection

The first few photos are stock from the Lenovo website and the last few are of the actual laptop, including photos of the original receipt and Knowhow agreement. You can see in section F of the care plan that the extended warranty can be transferred with the sale of the laptop. There is also a photo showing exactly
