Abseil the ArcelorMital Orbit Want to do something unique this May bank holiday?
 We have the perfect way to wind down, make a difference and experience something truly memorable!

Join us as we abseil the UK's tallest sculpture, the Orbit. Take on this thrilling challenge and together, we can raise vital funds to fight the world's two biggest killers; heart and lung disease.

After the success of last year's abseil, where we raised an incredible £17,000, we're doubling the number of places on offer, to raise even more for our hospitals! Abseilers will witness a breath-taking panorama and capture an exclusive bird's eye view of the iconic landmarks & sporting venues within the park below.

So, if you'd like to have fun this bank holiday and make a difference to the lives of our patients, please register today to snap up your place!

Highly experienced abseil instructors will look after you every step of the way.
 Anyone not taking part is welcome to watch from below or from the viewing platform.
 How do I take part?
