Pointillist Art Exhibition - David Winwood - Dare Valley Country Park - April 2018

David Winwood is a Pointillist and Hyperrealist Artist. Due to spinal and nerve damage, David is unable to work with a traditional paintbrush. With a computer screen as his canvas and an adapted mouse as his brush, David has developed his own unique style and way of painting, creating stunning pointillist landscapes and jaw-dropping hyperrealist portraits.

See the exhibition of his Pointillist work in Dare Valley Country Park, Aberdare for the whole of April
