Camp 4 Champs was set up to provide an active environment where kids can experience fun, make friends and learn new skills.

We offer a safe and exciting environment where excellent teachers can help kids understand the power of sport, without the pressure of competition.

Our activities are inclusive to all abilities so that everyone will be able to achieve and have fun.

Book on to our sports camps, which run from 9am-4pm, (extended hours available) on various days of the school holidays.

This Easter holidays we will be running camps at St John's School, Billericay on 27th & 28th March and at Mayflower High School, Billericay on 4th & 5th April and 9th & 10th.
