Do you have a favourite fragrance? Would you like to save money but still enjoy the same smell? FM have a wide range of fragrances but without the price tag of the high street brands. These are not knock-off or copies but the same company who manufactures the fragrances for the high street brands, also manufactures the fragrances for FM. This means, if you like the smell of the high street brand, you will like the smell of FM's fragrance, as it will still have the same base & heart tones. These are top quality fragrances without the price tag and you will not be disappointed. FM also sell top quality make-up, face creams, household cleaning products, health care products, hair care products, tea & coffee. If you are interested in finding out if I have a fragrance like your favourite high street brand or any of the other products I sell, my name is Claire and you can text or call me on 07746981002 077469810...(click to reveal full phone number) or email me at click to contact and I will contact you as soon as.
