anc uninterruptable power supply still in warranty
 are only in pc and can be removed for protection of personal data not down
 of games to get another one
 previously bought buying
 means I can keep playing in the best couple of days and will be
 time too anyway so might be of use to someone starting out in pc gaming as this one is ready to go with
 10 installed on samsung evo ssd monitor and peripherals
 you can have the table, chair and stand which I made for rig to keep it up off floor as well
 will have most of the boxes up off somewhere
 ready for use straight away or break it down and sell bits separately
 if you just want to save 1000
 can deliver locally if you don't have transport to take it
