I have 5 German shepherd bogs that need to go to a good home. They are all very playful and get into a lot of mischief. They love chasing the chickens and having a good old scrap. Mum is a beautiful friendly German shepherd who can been seen with puppies. All puppies are good with children and other dogs. Puppies are ready to leave now and have had first vaccinations (2nd paid for), flea and wormer. puppies are also microchipped and have had basic health.
