Hi Barry,

My family and I had a relaxing two week holiday at your townhouse. It is in the best location on the resort overlooking the largest pool which we used most days with the fold-up sunbeds provided. We enjoyed a few games of tennis as the courts were beside the pool. As a family of four, it was great to have the use of all the facilities in the house and WiFi.

Thanks for letting us rent your house and answering all our queries.

Good morning Barry, Many thanks, we have had a lovely holiday at your house. I like to also ask if there still is availability for next summer as we would love to return to your house? Warm regards,

Hi Barry

We absolutely loved your house - it was spotlessly clean and had everything we could have wanted.

Thanks again, we have already sent your eBay link to several friends who were interested.
