K2 Missy twin tip skis, salomon kitten poles and salomon ski boots. I believe the skis are around 4ft/ 126 cm in length. They come with 7.0 marker bindings which are in fantastic condition. Been used for a half day at lecht. The reason for sale is that they are now to small. The poles are 105 cm in length. The boots are purple and white with very warm lining. Size 24. Great buy for the returning snow. Any questions please don't hesitate to ask.
£150 for lot. Can possibly.
