Hello, my name is Rianna and I have been doing tarot card readings for just under three years. I use my strong intuition and can provide readings over the telephone, skype or depending on the reading I can email you a written response.

I can provide readings on different topics and I like to use a range of cards depending on the reading. I have experience with the traditional tarot, archangel cards, and oracle cards.

My prices for readings depend on the type and length of time you require.

Please email me to chat and to see if we can connect and a free no obligation quote. For entertainment purposes only. You must be over.
