Stripping off old paint is often one of the first jobs to be tackled when you move into an old house. Why spend the weekends when you can have us to take over your restoration project?

Let us do the time - consuming and messy job for you, and bring back the original glory of your home. At Old Door Stripping Essex, we can strip a wide variety of wooden and cast iron items, including doors, tables, furniture, shutters and fireplaces, made of pine, pitch pine and beech wood to oak, walnut, elm and satinwood.

Our team is dedicated to providing excellent, reliable and fast service. We are committed to keeping the prices of our door stripping services reasonable, without compromising on quality.

Ensuring the high quality stripping service, timely delivery and efficiency, Old Door Stripping is the right solution for all restoration projects!

We offer collection and delivery service in Essex.
