Wash stand with marble top and pine base.

The top is currently loose for ease of transportation.

The doors have no catch, however can easily be sorted with a pair of magnetic catches

This is currently located in Hereford city, which is in Herefordshire UK. NOT HerTfordshire.

(North side of the river - Postcode HR49). Over the next few days I'll be moving it to Much Marcle (halfway between Ledbury and Ross on Wye on the A449

If you're serious and would like extra information, please provide a phone.
