1957 seeburg 201 Jukebox. Left to me as a legacy in a family members will but i do not have the space for it in my home, so would like it to go to someone who can enjoy it.

In good working order and has been in the same family for around 30 years. No records are included. Sold as seen and collection only. Very heavy so will need 2-3 people to lift it. Independant valuations already given, so only selling for asking price or offers above. any questions lease ask and i will ask the current owner. Cash on collection or paypal.
