Nearly nine months old.Mum is a Yorkshire Terrier and dad is a longhaired chihuahua.Home bred by us. We were going to keep him but as he is getting older he is trying to mount his mum. He is microchipped and has had both 8 weeks and 12 weeks injections.He has such a loving and kind personality.He has been bought up with other dogs,a cat and children.He is cat flap trained for toilet. Walks great on the lead.No time.
