

Fly Navy (03 GBP)

Location

East of England, Bedfordshire<https://www.freeadsz.co.uk/x-574322-z>

Fly Navy is a celebration of naval heritage aircraft from the early 1900s to 1960s. This event is supported by the outstanding work of Fly Navy Heritage Trust, who have secured a memorable line-up of extraordinary and historic aircraft for a thrilling show.

The pilot chat is about the BAE systems owned Avro Anson, with its new colour scheme.

Follow the Richard Shuttleworth trail (download the app), enjoy live music, explore the activities in our children's discovery zone, take a free ride on vintage buses, explore the Swiss Garden and The House, and enjoy craft activities for children in the Swiss Garden, and make a free aircraft model with Airfix & IPMS Brampton 'Make & Paint'.

With great food on sale, and Souvenir programmes available from the gate and Visitor centre, don't miss!
