

# Maths tutoring GCSE Heathfield area (10 GBP)

Location **South East, East Sussex**  
<https://www.freedasz.co.uk/x-574327-z>

Hi, my name is Louisa and I'm offering maths tutoring in/around the Heathfield area.

I help students improve with their mathematical skills by giving constructive feedback and friendly encouragement, which allows them to develop their understanding of concepts that they find difficult.

I got grade 9 (A\*) at maths GCSE, and an A\* at Further Maths GCSE, and am currently studying it A Level (target grade A\*).

I can tutor up to GCSE level, but also am happy to help younger students.

I am available certain times weekends and some afternoons/evenings on weekdays.

I charge £10 - £13 per hour, depending on location and age etc.

For any more info about me and what I can offer feel free to get in touch - there's no commitment.

:)
