We specialize in helping clients increase the value and beauty of their homes by creating elegant outdoor spaces. We create beautiful shipyard projects in Glasgow and East Renfrewshire, combining seasonal colours, perennials, landscaping and conservation. Our ultimate goal is to ensure you are satisfied with the final effect of the project. Our company comes from many years of passion in regards to designing gardens. In arranging your green surroundings we combine rock, water, light and wood into one. Thanks to our experience, knowledge and care about the tasks we complete and offer warranty for we will make your dreams come true! Working together with garden centres, we will provide the best plants durable to the extreme Scottish weathers. We will show you already designed projects as well as designing brand new ones in order to suit your needs and wishes.
