OK, so most of us have two left feet and no rhythm but don't let that stop you starting out in Modern Jive. Our classnights are structured to gradually introduce the dancestyle and build your confidence with a friendly and sociable group of like minded people. Dancers are welcomed to the floor and paired with a Leader or Follower, whereby we will guide you through 3 moves, starting with a Beginners move, adding an Improver move and then a slightly harder move to build you into a full routine that you can dance again and again. Dancers are rotated so everyone meets new faces and greets new friends so don't worry if you do not attend with a partner.
