FREE FIRST - KUNG FU CLASS
 CAMBERWELL WING CHUN
<https://wingchungkungfu.wixsite.com/mysite>

WING CHUN is a straight forward, very effective kung fu system made famous by IP MAN and BRUCE LEE.

My first teacher was a student of IP MAN and classmate of BRUCE LEE. The proof is in the pudding. Our style is very efficient, effective and practical for fighting / self defence.

First class is free so nothing to lose - just £10 after that each week.

- . Come try Wing Chun Kung Fu at the Zen Yoga Hall in Camberwell
- . We train on a Wednesday night
- . It's a nice friendly class
- . It's a progressive active system that trains you to defend yourself in a short time
