Scary Fairy - A Truly Unique & Individual Metal Masterpiece

Allow me to introduce 'Scary Fairy' a wonderfully unique and individually created sculpture masterpiece. This stunning modern art statue is exquisite in creation and exceptional in quality and workmanship - The photos really don't do it justice.

Scary Fairy has lived with us for many a moon enjoying a happy life with her brothers and sisters, but alas its time for her to spread her wings. She is a magnificent metal sculpture designed and built with imagination and style to exacting craftsman standards - she never fails to catch the eye of admirers.

She isn't a tiny feature and as such is **COLLECTION ONLY** - but she simply looks **STUNNING** and a one off.

This is an opportunity to own a totally unique and collectable piece of modern art that looks fabulous.
