Selling this as I can no longer use it due to relocating. we have taken all our stuff out so its ready to occupy and priced to sell. Its on a stunning little family owned park called Halleaths Caravan Park in Lochmaben just outside Lockerbie. Less than a mile to the local pubs and shops and less than 3 miles to the Centre of Lockerbie and access to the A74 for great access to everywhere else. There are loads of walks in and around the park, along the River or down to the Castle lake. The Swift Moselle was and still is one of there all time best sellers, giving a top end feel in a more affordable package. This one is no different, you get all the luxury at a fraction of the cost, this Swift Moselle could be all your's for LESS THAN £20K!! You still get your free site fees as well as a choice of plot. At the moment its sitting on a prime, very sought after perimeter plot overlooking the countryside (see photos). All the benefits such as, free standing furniture, huge lounge, massive wrap around kitchen, floor to ceiling integrated fridge freezer, king sized bed, en-suite.....the list just goes on. Come and have a look its even better in person. Call John on 07436 894199 07436 8941...(click to reveal full phone number) to arrange your.
