Selling my Crafter DSPI amp , as I no longer have time to use it and other items so am having a big clearout .
 This is a Fully working. Good example and nice condition much sort after amplifier. This is a reluctant sale . But I do not have the time to use it .
 Few minor marks on body as seen in photos. but as made from wood very easy to rectify.
 Comes complete with mains lead .
 This is a highly sought after amplifier and well known for its clarity and sound . Selling cheep due to big household clear out .
