Aquilegia is a perennial plant flowering from late Spring to early Summer. They are also known as Granny's Bonnets or Columbines.

I have a number of these plants that I have grown on that are surplus to my requirements. They are the McKana hybrids (as featured in photograph) that grow up to 75cms tall.

I can send out 3 of these plants by first class post for £6.00 inclusive of postage and packing. The plants have been trimmed back and have had some compost removed from the roots before they are sent out in a large padded envelope by Royal Mail first class post. Please see photographs to assess size of plants shown ready for posting. Note that the plants shown in the photograph are Welsh poppies but the Aquilegias will be about the same size and packed up the same way.

This delivery method will require the plants to be unpacked and planted up in pots or in the garden and watered in on receipt.

Alternatively I can drop off the plants in pots at the Swansea Morfa Retail Park to anyone wishing to collect them from me there or if you prefer collect the plants from me at home. Contact me to fix a time and date to collect.

I can accept payment by PayPal, cheque or by Faster Payment bank transfer (or cash on collection).

Larger numbers of plants can be sent out priced at 6 for £11.
