

Ride on mower Viking 4080 (1,250 GBP)

Location **South West, Somerset**
<https://www.freeadsz.co.uk/x-575107-z>

This 2016 Viking 4082 ride-on mower is as close to a new mower that you will find and a joy to drive. The special forward/reverse drive lever makes manoeuvring easy with its tight turning radius and an exceptionally smooth hydrostatic automatic gearbox. For extra convenience, the grass collector can even be emptied without leaving the driver's seat by a simple pull of the bow handle. All other controls, including the electromagnetic blade clutch and the cutting height adjustment, are positioned within easy reach.

Very little private use and a good saving on a new mower.

Features:

Electromagnetic blade clutch - For simple blade activation.

Extremely small turning circle - Ideal for gardens with lots of trees and bushes. The compact design and unobstructed forward view ensure a high degree of manoeuvrability.

also has the reverse mowing foot button enabling the machine to cut whilst in reverse.

Grass guide system - For effective and precise cutting of lawn edges

Innovative hand lever - Switch comfortably between forward and reverse gear.

Low step - For comfortable mounting and dismounting as well as ample legroom.

Driver's seat adjustable in both length and height - Without the need for tools.

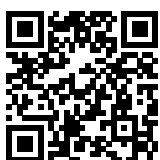

Grass catcher box - Can be emptied from the driver's seat

Lawn Area Up to 4,000m²

Cutting Width 31.5" (80cm)

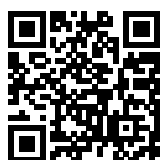

Briggs & Stratton series

For those who want this mower for a cheaper price and other mowers are considered a higher
