

2 x TICKETS WITH BADGES FOR RESERVED SEATS CHELTENHAM GOLD CUP TATI

Location North, Merseyside https://www.freeadsz.co.uk/x-575779-z

Welcome to my sale of 2 tattersall badges and 2 grandstand Seat's for gold cup day of the Cheltenham festival. I am selling on behalf of friends that have had a sad change of circumstances wich means sadly they will miss there favourite day of the year. We get these tickets every year and have to pay for them nearly 12 months in advance as they are almost impossible to buy at a later date. I have been going to the festival for over 20 years and in my opinion they are the best seats in the house. (And I have been in club, restaurants and private boxes in the past). Having your own seats allows you time to see the horses in the parade ring get a drink have a bet between races knowing you have your seat in the stand and can go out as the race starts. The seats are in the tattersalls grand stand and the badges also give you entry to the private bar situated between the hall of fame and the viewing stand. access to this bar is strictly for seat badge holders only. The seats are positioned high up in the stand as well so there is protection from the elements if the weather is bad this might not seem important but years of experience and a wet backside has taught me it is. These really are fantastic seats and make watching this great festival very comfortable. Please contact me with any questions and good luck .
