A marvellous example of the rarely seen Ford Focus CC finished a gorgeous metallic purple with half black leather interior. Great spec with power steering, remote central locking, air conditioning, CD player, electric windows, fully electric roof (up and down at the touch of a button), cruise control, heated front seats and alloy wheels. In superb condition inside and out, clearly a well looked after car with a full service history. An excellent hard top convertible which is sure to turn heads. Remote Central Locking, Air Conditioning, Cruise Control, Electric Windows, CD
