A remarkable example of the always popular Vauxhall Corsa in a very desirable colour combination. Looks the part in Black Sapphire with trendy half black leather and half grey cloth interior, this is the top of the range SE model with high spec including air conditioning, alloy wheels, CD player with AUX input, cruise control, electric windows, heated front seats, power steering and remote central locking. Just one private, careful lady owner since 11 months old and one business owner prior, in nearly new condition both inside and out with nice miles. The high MPG, reasonable tax band and insurance group, together with the rarely seen high specification, makes this a highly sought after 3 door hatch. Cruise Control, Electric Windows, CD
