A spectacular example of the excellent Audi A3 finished in one of the most desirable colours. This is the Special Edition model with power steering, remote central locking, air conditioning, CD player and alloy wheels. Just one private, local gentleman owner for the past 6 years (registered to Volkswagen prior), in marvellous condition inside and out with only 62,000 miles on the clock and a full service history. A highly sought after, very trendy and low mileage Audi sportback. Outstanding value.
