What could DRUMMING do for you?

Drumming is fun. Drumming can help reduce stress. Drumming is good for building confidence.

Drumming is great for improving your co-ordination & concentration, not just your muscality.

Drumming can offer the above benefits - and many others too.

All ages welcome (I've taught from ages 6 - 72).

All levels of experience welcome (I've taught complete beginners, students going for Grade 8, and even professional drummers).

All ambitions welcome (I've taught people who want to join a band, students who just start a new & exciting interest, students who wanted to improve their UCAS statement... as well as those who just wanted to impress their mates!).

Learn to play drums with a friendly, experienced, professional drum tutor.

Fully insured and DBS/CRB checked.
