We are a small friendly independent garage in Bristol BS2. We are looking for an experienced Mechanic/MOT Tester to work on all different types of cars and light commercial vehicles. You must have recent knowledge of the motor industry and be proactive, able to prioritise your workload and have the minimum of NVQ Level 3 qualification. A comprehensive tool kit and a UK Driving Licence is essential.

There will be a great variety of work ranging from general repairs, Clutches, MOT & repairs, Servicing & Diagnostics. Communication is very important, you will be communicating with our customers face to face and on the telephone. We would like someone with a "can do" attitude, who can run the garage when the Director is on annual leave.

Salary will be dependent on experience and qualification.

We offer 21 days holiday plus bank holidays.

Pension scheme.
