Milton has been protecting babies for over 65 years. The new Milton Solo Travel Steriliser lets you choose between cold water and microwave sterilisation, and is ideal when visiting friends, over night stays or simply going out for the day. Milton Solo offers the versatility of single bottle sterilisation to keep your travels light. Used as a cold water steriliser with Milton Standard Sterilising Tablets, it's unique twist and seal lid will keep it 100% water tight, whilst bacteria and viruses are killed within just 15 minutes. Contents stays sterile in the solution for 24 hours and no rinsing required.

Used as a microwave steam steriliser, from 2 minutes, Solo's patented vent technology retains more heat for better sterilisation, and it has a unique 'lay flat' design so it can be used in ANY size microwave. Fits 1 bottle of any brand.

Dual microwave OR cold water steriliser which gives parents flexibility to switch between two popular methods of sterilisation

Unique patented safety vent technology so that more heat is created in the unit for better sterilisation Unique twist and lock lid means no risk of spillages when out and about Fast and easy to use so ideal for busy parents when on the
