Kymco CK1 125cc Motorcycle, Available in Orange or Green or Oyster Gold. £2071 inc Road Tax etc, £99 minimum deposit, 36 monthly payments of £60 a month, Please contact us for a full personal quote, The first thing that stands out on the CK1 125 is the bike's sharp & modern styling, and it's this edgy "street bike" look that KYMCO say will attract the attention of younger riders looking for an alternative to the traditional style of learner-legal commuter bike. With KYMCO's new ultra efficient 4-stroke air cooled OHC 125cc engine, the CK1 is also impressively cheap to run, making it one of the most affordable 125 commuter bikes on the market. With a comfortable top speed of 65mph, the CK1 can achieve well in excess of 100 miles per gallon. That means based on average petrol prices, £10 worth of fuel could, in theory, cover more than 160.
