Along the way if there is a need for it (if you live along that way and you would like to come along that is?) we could make a pick up point along the Old Kent Road or New Cross areas.

Once we have left Calais we should get to Prague within 13 -15 hrs depending on how long we stop on our breaks.

It will be around 700 miles to go from there.

Now the reason we leave in the evening is so that we do not need another night in the hotel, and when we get there then all we need to do is freshen up, have a nap then relax for a few hours then you are all

set to go and explore the city.

There are a lot of things to see and do in Prague.

We will start to visit the city as soon as we get there, that is why we leave in the evening and the Sunday morning after sightseeing and exploring the city.

Each person should have a room with a single bed.

Please let me know if you need 2 beds or a double so I can let the hotel know in advance.

Price If Alone £295 (Double Bed).

We will stay in a 3/4 hotel near to the city centre.

Meeting on the Thursday 17th May 2018 Staying Friday/Saturday/ Leaving Prague Sunday 20th May

2018.

We will leave Prague on Sunday afternoon / early evening and get to London on the Monday afternoon/

early evening.
