Gorgeous jewelry for sale at a very fair price. All pieces are new and I have designed and part made the earrings and pendant.

The sterling silver is long lasting and I think it's the best precious metal as it is currently more affordable and any tarnish that could occur can be easily removed with a tiny amount of silver polish.

freshwater & sterling silver pearl earrings £18

freshwater pendant £18

freshwater pearl and purple Swarovski sterling silver earrings £18

freshwater pearl and Swarovski rose pink earrings £15

or £69 for all.
