Welcome to The Green Way Academy (TGA) and thank you for your interest in our School!

The Green Way is a great place to work and we are a school of choice in the North Hull community. Our children are at the heart of everything that we do here and you will be joining a school that is forward thinking, supportive and has a community that is hugely positive about our work. In July 2016 we were rated by Ofsted as a 'Good' school and we need you to continue our strive for excellence.

Are you educated to degree level and considering teaching as a career?

Whether you are a fresh graduate or a career changer considering teaching, come along to our Open event to find out about a career with The Greenway Academy, part of Academies Enterprise Trust (AET).

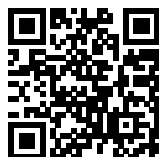

We would love for you to come and meet our staff and children on Thursday 12 April 2018 (2pm - 6pm) where you will learn more about us and we can learn more about you! Come and have that all important first conversation.

Please sign up here or email click to contact to reserve your.
