

## Honda CB 2014 (3,950 GBP)

Location Wales, Gwynedd https://www.freeadsz.co.uk/x-578939-z

White, 2 owners, 2 seats, This one has some nice extras including top box and panniers, tall screen, mainstand, heated grips, handguards and has had one owner. The 500X is a versatile machine, which is manageabile and agile. It is adventure styled and has good ergonomics, controls and a delivery that's as natural as they come. It performs well, a blend of easy, engaging drive and taut steering. It looks good and its quality and value exceed expectations, too. All of which adds up to a job well done. The North West's Finest Family Run Business, £3,950 p/x
