Jet 4 R 50: Urban Edge: JET 4 has been the undisputed king of its particular hill for years, a sporty soul inhabits the stylish exterior that has seen its competitors come and go with a fraction of the JETS success. Starting with an engine that in many variations has sold in the millions, ultra-reliable and more than capable of anything asked of it. For 2017 there has been the introduction of highly economical Fuel Injection to help those conscious of cost feel the true value of its 50cc Single Cylinder 4 stroke engine. JET 4 has been getting people to where they need to go without fuss and with a smile more successfully than just about any other scooter for the best part of a decade and continues to be the popular choice for many returning customers and first time riders alike. Traditional Two stroke grunt gives this Jet a little extra "something"™ while retaining all the sensibility of the mainstream 4 Stroke version. Sporty Naked styling around the controls give a little more edge to this capable scooter. As a testament to the renowned quality of SYM Scooters and Motorcycles, SYM UK are proud to announce that on machines registered from 1st March 2016, customers will benefit from the longest ever standard warranty period in the industry. Machines below 120cc upwards will enjoy a THREE year (30,000km) parts and labour warranty "the only customer commitment is to adhere to the service schedule for their machine!" jet4r50, FINANCE OPTIONS AVAILABLE.
