The all new Daelim Daystar 125cc Custom Cruiser is the latest version of this ever popular model. The Daystar is designed to give 125cc riders a genuine "Big Bike" experience, with big bike looks, handling and on the road presence. This is a big bike in every way! The Daystar is a high specification bike, with footboards, chain tensioner and many other features all included as standard. This attention to detail sets the Daystar apart from its competitors. The Daelim Daystar is a great first step for those seeking an attitude packed custom cruiser lifestyle. Daelim's 125cc engine is modern, powerful and economical. This makes the Daystar both cheap to run and good fun to ride. The Daystar is at home on the daily commute and the weekend ride out. Front and rear disc brakes complete the awesome Daystar package. The Daelim Daystar 125cc was first launched in 1999. This latest 2014 model benefits from 15 years of research, testing, customer feedback and innovation to bring you the very best 125cc custom cruiser. The Daystar is available in two colour options, Black/Grey and Black/Orange. These two-tone colour schemes are complimented by Black engines, wheels and forks. This "Dark" unpolished styling completes the mean and moody custom cruiser attitude that is sure to bring out the rebel within! Take your first steps towards a custom cruiser lifestyle on the open road! Features, "Better build quality than the competition. "Big bike looks, big bike road presence. "Latest high specification fuel injected engine is both powerful and efficient. "Low, comfortable seat provides an excellent riding position. "Lightweight bike and large diameter front wheel promote confident handling. "Simple, easy to use controls are ideal for new riders. "Cast wheels, chain guide, footboards and many other small details enhance the whole package. "Classic custom cruiser styling with two-tone paint work. "Front and rear disc brakes for optimum braking performance. "Many accessories
