Gorgeous litter of self whelped 7/8th Pug pups available. Mum is 3/4 pug x jack and dad is full KC pug. Pups will be ready on the 3rd April at 8weeks old. Wormed and flead to date. Pups will come with a generous puppy pack and food. Please email for further information. Viewings are welcome with frequent updates until pups are ready. All pups have been brought up with lots of love and cuddles so I would expect 5\* homes only where they will be shown the same love and attention. Deposit will secure your chosen puppy. Thank
