Welcome to Brian's Massage Therapy

I am a mature male qualified body massage therapist who has been providing professional massage full time to men and women at my home located in Four Oaks, North Birmingham for the last 3 years.

There you will find a bright warm clean and spacious therapy room where I offer a firm full body massage session of roughly 1 hour costing £40.

I use warm scent free base oils such as grape seed and coconut oils and the massage is carried out on a professional massage table as shown in the picture.

There is ample free street parking close by.

Please feel free to phone or text me, Brian on 07516 157790 07516 1577...(click to reveal full phone number) from 9
