

PARTNER REQUIRED, INDIVIDUAL OR BUSINESS, MANCHESTER-BASED, CONSTRU

Location **North, Lancashire**

In recognition of the importance of the North West area we are looking to partner with a suitable individual or organisation and establish, with immediate effect, a specific Manchester-based presence.

Our service is arguably the foremost in the UK providing digital O&M manuals - a legal requirement - to main contractors within the Construction sector. We work with many of the biggest names in the industry and over the past nine years have documented more than £1.4 billion of projects.

Principally operating in the South East, we are looking to expand rapidly throughout the UK and would welcome an exploratory conversation with all interested.
